

WEST SIDE NUT CLUB 104TH ANNUAL
FALL FESTIVAL

BETTER TOGETHER

EVANSVILLE, IN
OCTOBER 6TH - 11TH 2025

The History of the West Side Nut Club

Prologue

In the early 1900's, the West Side Businessmen were striving to find ways to increase exposure and bring more people to the West Franklin Street area. Access to the West Side was very difficult and time consuming, especially from the West and North outlying areas, because no main roads leading to Franklin Street were available.

These enterprising and hard working businessmen, all of whom were members of the West Side Business Association, held small Festivals in 1914, 1917 & 1920 to try to attract people to their stores. They met daily for lunch and decided that they needed an organized group to use their influence to make improvements to the West Side and to handle the duties of running the Festivals.

West Side Nut Club Formed

On March 16, 1921 this group of businessmen met and formed the basics of the West Side Nut Club. Within the first 6 months, they elected officers & board members, named the club, incorporated and wrote the by-laws, selected the Acorn as the symbol and penned the official slogan: Root, Boost or Scoot. The first official WSNC Fall Festival was held in November, 1921; it was considered a great success but left them with \$400 in debt. In order to pay off the debt, they assessed each member \$10.

Over the first 25 years, the club struggled through the Great Depression and World War II. With little or no money, they used their influence to persuade the city to build a new bridge on Franklin Street and to put the new municipal Golf course and Mesker Park Zoo on the West Side. They kept pressuring the city and county to pave the dirt and rock streets and roads and to extend St. Joseph Ave. north into the county.

During the second 25 years, the Club started prospering and expanded the Festival into what it is today. Food booths increased as did donations to non-profit groups. Queen and Amateur contests and professional entertainment were added. Membership was expanded to 300 active members and the Board was expanded also.

1971 to Present, revenues & donations have continued to increase astronomically. Spring Projects were started, the first of which were clean-ups of Franklin St., Mesker Park Zoo, Reitz Hill and West Side Library Park.

Later, as the Festival money increased, the Club started performing larger construction projects. Shelter houses, rest rooms and ball fields were constructed at West Side Little League, Golfmoor, Tekoppel, Moutoux and Junior Football League fields. Sidewalks and landscaping were developed or improved on Franklin Street and at West Side Library Park. Several large projects were performed at Mesker Park Zoo, Helfrich Golf Course, USI, Ozanam Family Shelter, Albion Fellows Bacon center and Reitz High School. With the Club performing at least one project every year, we have been able to perform many more projects than what are listed above. Approximately \$25,000 or more is donated for each project, plus 75 to 100 members donating their time and talent to complete them.

2025

This year, because of the huge success of the Fall Festival and the Half Pot, the West Side Nut Club has already donated over \$820,000 to charitable and/or non-profit organizations. Additionally, as our spring project, the club donated approximately \$25,000 for misc items needed for Grade & Middle schools. Again we have a goal to build 100 beds for Sleep in Heavenly Peace.

All of the above is dedicated to and made possible by the West Side Businessmen who had the foresight to form the civic-minded West Side Nut Club in 1921.

On behalf of Michelle and myself, we are honored to welcome you and your family to the 104th edition of the West Side Nut Club Fall Festival. This week-long event is made possible by the thousands of volunteer hours contributed by the non-profit food booth organizations. Those efforts are as significant as those of the Nut Club membership. More importantly, we acknowledge and appreciate the support of the entire Tri-State community. Your support has enabled the Fall Festival to become Evansville's largest event, providing assistance to many groups and individuals in various ways. For this, we truly express our gratitude to you and your family for helping us be "Better Together." Please enjoy the Fall Festival, be happy, and be safe.

As the leaves are beginning to change, we find ourselves on Franklin Street once again for the 104th West Side Nut Club Fall Festival! Becky and I are so excited to have you join us all in making memories that will last a lifetime. Our motto this year is "Better Together", as we could never hold such a spectacular event without the help of each of you. We are blessed to be a part of a community that comes together the way that ours has proven to do time and time again. Many hands make light work, and the many hands and hearts that support the Fall Festival show how we are most certainly "Better Together".

Here's to another safe and exciting year, we can't wait to see all of you on Franklin Street!

From our family to yours, welcome to Franklin Street! We are thankful for all those in our community that volunteer countless hours to help put on the Fall Festival each year. Without the help of our community, the Fall Festival would not be possible. We appreciate all our vendors, sponsors, and organizations that support us. We also thank our community who visit each year, purchase food from the booths, ride tickets, and half pot chances. Your support helps us to give back to all the non-profits organizations throughout the year.

A tradition unlike any other... West Side Nut Club Fall Festival proudly enters its 104th year. For over a century, this weeklong celebration has been a shining example of what happens when community, volunteers, and deep-fried creativity come together. Studies show that it creates millions of economic impact into our communities.

My family and I invite you to join us throughout the week—grab some brain sandwiches, dumplings, or a walk off chop, take in the rides, enjoy the entertainment, and remember: every pronto pup/corn dog, lemon shake-up, and deep fried goodie sold supports the non-profits that make our community stronger. Thank you for being part of what makes the West Side so special. Here's to an amazing and safe 104th Fall Festival!

2025 Booklet Chairman Message

**AJ WHIPKEY
wife Chelsea and son Liam**

As the 2025 Chairman of the West Side Nut Club Fall Festival booklet, I am honored to help share this beloved tradition with our community. Delivering the booklet to area businesses and organizations is one of the most rewarding ways to kick off what many consider the best week of the year on the West Side. This publication wouldn't be possible without the dedication and teamwork of so many. I'm especially grateful to Bart Burke (Co-Chair), Shawn Heneisen (2nd Co-Chair), and the talented crew at Evansville Print Specialists for their tireless efforts throughout the production process. I also want to thank my family for their continued support along the way. The productivity of this teamwork is a true testament to this year's festival theme, Better Together.

Wishing everyone a safe, memorable, and fun-filled 104th West Side Nut Club Fall Festival!

Proudly Serving Evansville's West Side Since 1921!

The West Side Nut Club

In 1921, The Nut Club formally organized, and "The Fall Festival" began as an annual event on West Franklin Street.

A.D. and Kenneth Alexander, both West Side Nut Club past presidents, witnessed the Fall Festival grow and become the largest festival in the Midwest.

Today, annual attendance averages well over 200,000 visitors.

Alexander West Chapel

In 1921, A.D. Alexander established the West Side's first funeral home.

Today, the Alexander family and staff of dedicated funeral professionals, continue to serve area families with five locations.

Our cemetery, Alexander Memorial Park, offers premium cremation gardens, personalized garden estates, and the area's newest mausoleum.

2025 Main Parade Grand Marshal

Award Winning Broadcaster Mike Blake

Celebrating a Broadcasting Legend: Mike Blake Returns as Grand Marshal

The West Side Nut Club is proud to announce that Mike Blake will once again serve as grand marshal for our upcoming Fall Festival parade, marking his return to this honor more than three decades after first leading our parade in 1992. For nearly 55 years, Mike has been more than just a familiar face on television screens across the Tri-State—he has been a cornerstone of our community, a champion of local causes, and a true embodiment of the values that make Evansville special.

Mike Blake's journey to becoming one of Indiana's most respected broadcasters began in 1970, when he joined WFIE TV after serving his country in the U.S. Army, including time with the Armed Forces Vietnam Network. Armed with a master's degree in radio, television, and film from the University of Iowa, Mike didn't just report the news—he helped shape the very landscape of local broadcasting. He co-anchored the first 5:00 p.m. newscast in Evansville and launched the area's first high school football and basketball shows, innovations that brought local sports into the living rooms of countless families and helped build the strong community spirit we cherish today.

What truly sets Mike apart is not just his professional achievements, though they are impressive. He has earned multiple Associated Press awards for sports and news reporting, been inducted into five sports halls of fame including the Indiana Basketball and Football Halls of Fame, and received the prestigious National Television Academy Silver Circle honor. The City-County Observer named him their "2023 Man of the Year," recognizing not just his broadcasting excellence but his character as a person. These accolades speak to his skill, but it's his heart that has made him beloved by generations of viewers.

Mike's commitment to community service runs as deep as his passion for journalism. Over the years, he has hosted a remarkable 42 telethons for the Muscular Dystrophy Association, using his platform to raise funds and awareness for causes that matter. Through his current program "Midday with Mike," he continues to highlight community organizations, local heroes, and the stories that might otherwise go untold. Whether he's wearing his weatherman hat, anchoring the news, or celebrating local high school athletes, Mike has always understood that his role extends far beyond reading teleprompters—he's been a connector, bringing our community together through the power of storytelling.

As we prepare to welcome Mike Blake back as our grand marshal, we also proudly announce that the West Side Nut Club has bestowed upon him the distinguished honor of Honorary Membership—a recognition reserved for those who have made exceptional contributions to our community. We celebrate not just a broadcasting legend, but a neighbor, a friend, and a man who has spent nearly five and a half decades proving that success is measured not just by personal achievements, but by how much you give back to the community that has embraced you. Mike continues to embody the values that make our Fall Festival special: tradition, community, and the belief that we are truly "Better Together"—the very spirit that transforms our neighborhood into a celebration that brings thousands together each October to celebrate what makes Evansville home. We couldn't be more honored to have him lead our parade once again.

2 Man Scramble Acoustic String Band

Monday, October 6

11:00 am - 1:00 pm

The Benjamin & Anna Bosse
Foundation Stage

2Man Scramble started in the Spring of 2025. Clayton Daugherty has played at Cavanaugh's, in the band Epic, Mark Brooks, and was the owner of the Delorean while playing in McFly, along with other piano bars. Drummer, Steve Katterhenry has played in numerous Bars, Festivals and Bierstubes in around the tri-state. 3 o'clock Charlie, McFly, Mayor Frank, The Classics & Midnight Curfew.

Troy Miller

Tuesday, October 7

11:00 am - 1:00 pm

The Benjamin & Anna Bosse
Foundation Stage

Singer & songwriter Troy Miller, born & raised in Southern Indiana is a powerhouse guitar player and crooner. It's a sight to watch him perform his yesteryear repertoire as if channeling the favorites of Leon Redbone, the energy of Jerry Lee soothed with the baritone voice of Johnny Cash or dare I say Robert Mitchum. He pays homage to this part of the world he holds so dear in his originals "Warrick County Cowboy", "Sterling Girl" & co-written w/ Jubilee Fly "Stop Light City." He is honored to be playing at the West Side Nut Club Fall Festival.

The Classics

Wednesday, October 8

11:00 am - 1:00 pm

The Benjamin & Anna Bosse
Foundation Stage

Rick Ford (lead singer) started playing music at the age of 17 in 1967. I have played since I met Mitchell Evitts (guitarist) when he was around 17 in the early 1980's, we have played together most of that time. Lead guitarist Bob Ford, Rick's son, started playing music with them in the early nineties and we have been playing since we became the band called Mason Dixon Band.. Steve Katterhenry (drummer) joined in 2011 and then after several years changed the name to The Classics.

The Refugees

Wednesday, October 8

5:00 pm - 7:00 pm

Stage 2

Formed in 2023, The Refugees are six piece, high energy classic Ronk-n-Roll band, comprised of dedicated Tom Petty and The Heartbreakers devotees. In addition to Tom Petty's hits the band covers numerous other Classic Rock bands such as The Eagles, Bad Company, Steve Miller Band and Lynyrd Skynyrd. The band is based out of Evansville, with members from Evansville and Henderson, Ky. It is our honor and privilege to support the West Side Nut Club in its numerous charitable pursuits.

Tailgate Revival

Wednesday, October 8
8:00 pm - 10:00 pm
Stage 2

Tailgate Revival delivers electrifying performances that cater to both high-energy, barn-burning revelry and intimate acoustic settings. Their performances are punctuated by unforgettable moments of camaraderie, spirited singalongs, and a showmanship that leaves a lasting impression on audiences well beyond the dimming of the neon lights. A prominent fixture in the country scene since their inception in 2016, Tailgate Revival has swiftly evolved from a cover band into a dynamic country touring ensemble. Based in Nashville, Tennessee, the band has garnered a dedicated following nationwide. Their original music is available on all streaming platforms, with new releases planned soon.

Shelly Long & Stephen Anthony

Thursday, October 9
11:00 am - 1:00 pm
The Benjamin & Anna Bosse
Foundation Stage

Shelly Long has been performing for audiences since the early age of 6. She has been featured in many local bands, as well as written, recorded, and produced original music. You may have noticed Shelly at one of our local sports events as she is also an anthem singer and has been involved with these events for more than two decades. Shelly's influences are quite diverse. And when you hear her voice, it's apparent the blend of genres gave Shelly her soulful sound. Stephen Anthony has been slinging guitar riffs, producing music, and imposing nerdy humor on the greater Evansville area for 20+ years. Through multiple original projects to playing with many local favorites, you can find him lending his flavor of groove in many corners of the region. The two of them have recently joined forces and have become a harmonious duo. Enjoy!

Bourbon Revival

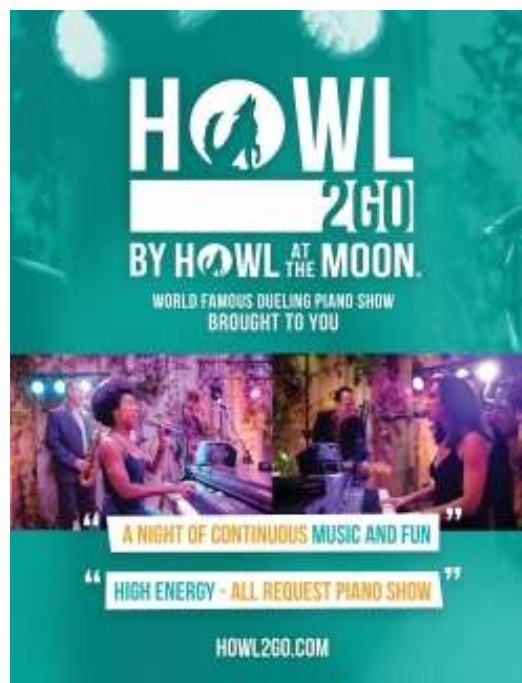

Thursday, October 9
4:00 pm - 6:00 pm
Stage 2

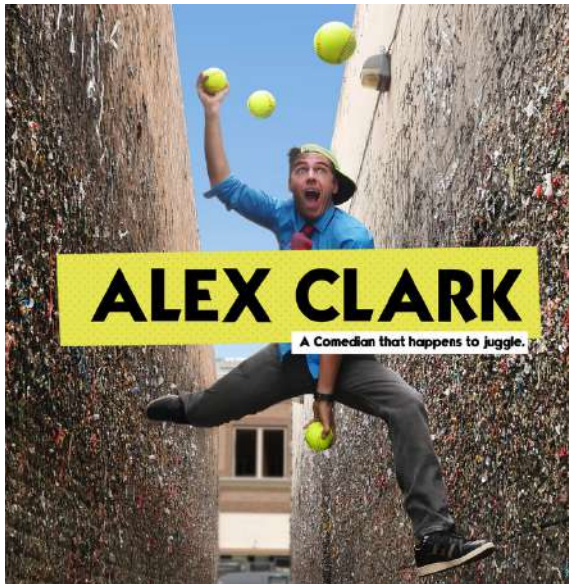

Bourbon Revival is Kentucky's own bluegrass-rock cover band, blending the raw spirit of bluegrass with the energy of plugged-in rock. We pour our heart into every show, bringing crowds a smooth, strong shot of music that hits just right. From festival stages to bourbon halls, we're here to keep the party burning all night long. We started as friends who shared a love for bourbon, bluegrass, and the songs that shaped us. From backyard pickin' circles to headlining regional stages, Bourbon Revival was born out of late nights, empty glasses, and the desire to reimagine classic rock, pop, and country hits in our own bluegrass style. Every show is a celebration, every note a toast to the music that made us who we are. We're here to keep the revival rolling, one pour at a time. Raise your glass and join the Revival. Whether it's your wedding, festival, or Saturday night out, we're ready to bring the plugged-in bluegrass party to you. Thank you from Bourbon Revival.

Alex Clark

Friday, October 10
11:00 am & 1:00 pm
The Benjamin & Anna Bosse
Foundation Stage

Get ready for a wild display of stand-up comedy and circus spectacle! Alex Clark brings the term 'one-man circus' to life with a show that's a breathtaking mix of razor-sharp wit and jaw-dropping skill. From juggling meat cleavers over a brave audience member to defying gravity atop a towering, free-standing ladder—no ropes, no safety net—Alex masterfully balances it all while delivering mile-a-minute jokes just as sharp as his meatcleavers. You'll be gasping for air in both awe and laughter. Alex's unique brand of humor has been seen on stages around the world, including appearances on Disney, E! Networks, and the Vegas Strip. He's a four-time People's Choice Award winner with 3.5 million YouTube subscribers. The Chicago Tribune said, "His viral videos are funny," and the Huffington Post hailed him as "brilliant". Millions have laughed at his videos online, but this is your chance to see him live. Don't miss out on this unforgettable mix of stand-up and circus!

The Boot Scoots

Saturday, October 12

8:00 pm - 10:00 pm

The Benjamin & Anna Bosse

Foundation Stage

“Get ready to dust off your boots and hit the dance floor—The Boot Scoots are here to bring back the golden era of ‘90s country with a high-energy, crowd-pleasing show that keeps the line dancing going all night long. Fronted by the charismatic Kevin Cummings and featuring three powerhouse vocalists, this neo-traditional pop country cover band delivers the biggest hits from 1990 through the early 2000s with precision, passion, and undeniable stage presence. Backed by a lineup of top-tier studio musicians, The Boot Scoots recreate the sound and spirit of country legends like Garth Brooks, Shania Twain, Toby Keith, Brooks & Dunn, and many more. Whether you’re planning a corporate event, wedding, festival, or honky-tonk celebration, The Boot Scoots bring the authentic Nashville sound straight to your stage. With hours of timeless hits, tight harmonies, and a stage show built to move the crowd, this band isn’t just a performance—it’s a full-blown country revival. If you’re looking for a band that knows how to ignite a crowd and keep the dance floor full, The Boot Scoots are your ticket to an unforgettable night of two-steppin’ fun.”

Thank You for Your Service!*

VANDERBURGH COUNTY SHERIFF'S OFFICE

Committed to Your Safety at the Fall Festival

The West Side Nut Club Fall Festival is one of our community's most beloved traditions, and the **Vanderburgh County Sheriff's Office** is proud to be a part of it! Deputies will be stationed at 11th & Franklin Street all week long, handing out stickers, bracelets, and Safe Kid Armbands to help keep families safe while enjoying the festivities.

LOOK FOR OUR DEPUTIES IN UNIFORM THEY'RE HERE TO HELP!

We're proud to support public safety at the Fall Festival and are always happy to answer questions, offer directions, or simply share a conversation.

LOST AND FOUND BOOTH: KNOW THE PLAN

The Lost and Found Booth is located in the median at 11th & Franklin. It is not a paging booth, but it is the place where lost children can be reunited with their families. Before heading into the crowd, we strongly recommend parents and guardians go over a meet-up plan with their children and point out where the booth is located.

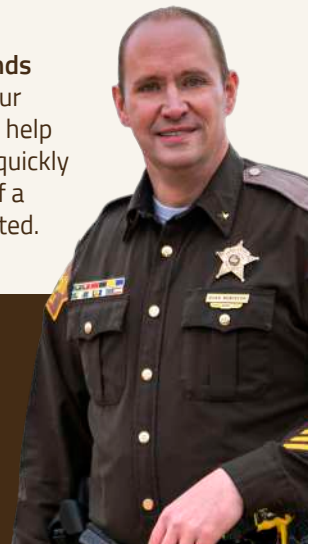

Safe Kid Armbands are available at our booth. These can help first responders quickly contact parents if a child gets separated.

Community Service Since 1818

"The Vanderburgh County Sheriff's Office is committed to your safety this week and every week. We look forward to seeing you on Franklin Street. Stop by and say hello!"
